The Aiming for ALL Collection

Accessibility for all members of schools and learning communities.

bit.ly/AimingForAll

1. What About Curb Cuts?

Learn why accessibility matters for everyone.

2. Foundations

Learn how accessibility honours our human rights.

3. Accessibility for Learning Communities

Discover ways to make school and school life accessible.

Six Places to Begin Learning

The Goal

The goal of Aiming for ALL is to support educators, learners, learning leaders, and every member of a learning community to connect with perspectives and resources to centre accessibility in how we teach, learn, lead, and design.

4. Critical Frameworks and Curriculum Resources

Learn about putting access for everyone at the centre of learning.

5. No-Cost Courses

Choose an online accessibility course that is right for you.

6. No-Cost Digital Resources

Try free tools that support accessibility.
