tips for students with disabilities

1

Register Early with support services in the first few weeks of first year.

2

Disclose your disability to us... and then we can help you!

3

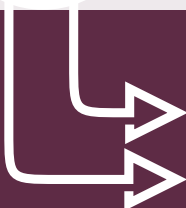

We will help **assess your needs** both in nursing practice and in your academic endeavours.

4

Reasonable Accommodations will be offered to you where appropriate.

5

If you are in **doubt or have questions**, contact me - therese.danaher@dcu.ie.
